INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1989, ch. 127, pars. 1001 et seq., as amended).

NOTICE OF PROPOSED AMENDMENT

SUBPART E: RECIPIENT RESTRICTION PROGRAM

Section 120.80 Recipient Restriction Program

- a) The Recipient Restriction Program (RRP) shall identify recipients who unnecessarily utilize medical services. When the Department determines, on the basis of statistical norms and the medical judgement of physicians and/or pharmacologists, that a Medicaid recipient has received medical services that are not medically necessary or in such a manner as to constitute an abuse of medical privileges, the decision to restrict a recipient to a Primary Care Physician and/or Primary Care Pharmacy will be made. RRP applies to all medical assistance programs administered by the Department.

b) Primary and Secondary Sources of Recipient Identification

- 1) The primary source of recipient identification shall be the Surveillance and Utilization Review Subsystem (SURS) of the Medicaid Management Information System (MMIS). On a quarterly basis, SURS analyzes the entire Medicaid population, determines medical usage per recipient and will identify recipients with usages in excess of the quarterly established norm of recipients in the same category of assistance and like demographic areas.

- 2) Secondary sources of identification shall be incoming referrals, such as referrals from medical providers, law enforcement officials or members of the general public. All referrals shall be reviewed and analyzed. Recipients found to have loaned or altered their medical cards for the purpose of obtaining medical benefits for which they or other persons are not legitimately entitled; falsely represented medical coverage; found in possession of blank or forged prescription pads; or who knowingly assisted providers in rendering excessive services or defrauding the Medical Assistance Program shall be identified for restriction.

- c) Once a recipient is identified, medical usage based on diagnoses and/or medical condition for the nine months

NOTICE OF PROPOSED AMENDMENT

Section 120.80 Recipient Restriction Program (Cont'd)

preceding identification shall be reviewed. Medical Assistance Consultants, licensed physicians and/or pharmacologists will determine if the recipient should be restricted due to the medical services received being not medically necessary. Each recipient to be restricted will be notified in writing. Such notification shall provide twenty-one (21) calendar days for the recipient, grantee or caretaker relative to cooperate by completing and returning to the Department, a form which designates a Primary Care Physician and/or Primary Care Pharmacy; or the selection of a Health Maintenance Organization (HMO). Upon receipt of the selected provider, the Department will review the choice of the primary care physician to ensure that the designated primary care physician is a medical doctor or doctor of osteopathy, licensed to practice medicine in all its branches; is a properly registered Medicaid provider in good standing with the Department; per the physician registration is enrolled to provide physician services with the Department; and is willing to serve as the primary care physician. The recipient will be informed that the selection of a Health Maintenance Organization will apply to the entire family unit. This notice will also contain a statement relating to the necessity of services consistent with the findings of the professional consultants; a statement advising them of their right to appeal; a toll-free number to call for information; and a statement of the Department's right to designate a Primary Care Provider if the recipient fails to do so.

d) Department Designated Primary Care Physician and/or Primary Care Pharmacy

- 1) If the recipient, grantee or caretaker relative does not respond to the notice by either designating a Primary Care Physician and/or Primary Care Pharmacy or HMO as directed, or by filing an appeal, then a physician and/or pharmacy will be designated by the Department for the recipient. The Department will not designate an HMO.
- 2) The Department will select one physician and/or one pharmacy who recently provided services to

the recipient and who agrees to serve as the recipient's Primary Care Physician and/or Primary Care Pharmacy. If none of these providers agree to serve as the Primary Care Physician and/or Primary Care Pharmacy, the Department shall designate another physician and/or pharmacy who agrees to serve in that capacity and whose medical offices are in reasonable geographical proximity to the recipient's home. The criteria used by the Department in designating a primary care physician will be identical to those enumerated in subsection (c) above.

- e) Recipient, Grantee or Caretaker Relative Designated Primary Care Physician and/or Primary Care Pharmacy

- 1) A recipient, grantee or caretaker relative designating a Primary Care Physician and/or Primary Care Pharmacy must do so in writing. Such designation shall be submitted to the Department. The Department shall verify with the Physician and/or pharmacy their willingness to be Primary Care Physician and/or Primary Care Pharmacy for the recipient. The restriction will be effective with the next regular issuance of the Medical Eligibility Card.

- 2) Types of Services Provided or Authorized

- A) Once restricted, the Medical Eligibility Card shall display the program restriction code and the name of the Primary Care Physician and/or Primary Care Pharmacy on the front of the card with the name of the restricted recipient. The card will also contain a notice that emergency services will not be restricted. If restricted to a Primary Care Physician, the Primary Care Physician must provide or authorize the following ambulatory care services for the restricted recipient before the Department will render payment for the services:

- i) Clinic
ii) Laboratory

- iii) Outpatient Hospital
iv) Pharmacy
v) Physician
vi) Podiatric

- B) The Primary Care Pharmacy must supply all prescriptions. Authorization to obtain prescriptions from any other source will only be approved in such instances when a specific item is not part of the Primary Care Pharmacy's inventory and cannot be acquired through the Primary Care Pharmacy.

- 3) Other covered services may be provided by a qualified provider in the Department's Medical Program.

- f) In lieu of a Primary Care Physician and/or Primary Care Pharmacy, the recipient for whom restriction is required may designate, in written form, a Health Maintenance Organization (HMO). If a recipient is restricted to an HMO and disenrolls within the four quarter time period for restriction, a Primary Care Physician and/or Primary Care Pharmacy for the recipient shall be selected immediately by the recipient, grantee or caretaker relative. If the recipient, grantee or caretaker relative fails to select a Primary Care Physician and/or Primary Care Pharmacy within twenty-one (21) calendar days after written notification, the Department will designate a Primary Care Provider for the recipient in accordance with subsection (d)(2). During the interim period, an emergency medical card will be issued if necessary.

- g) Changing the Designated Primary Care Physician and/or Primary Care Pharmacy

- 1) A recipient may change his/her designation of a Primary Care Physician and/or Primary Care Pharmacy once every six (6) months. The recipient may change his/her designated provider more frequently if one of the following circumstances is verified:

Section 120.80 Recipient Restriction Program (Cont'd)

- A) Change of recipient's residence from the geographic area of the Primary Care Physician and/or Primary Care Pharmacy.
- B) Change in the recipient's medical condition which the Primary Care Physician is unable to treat or refer to another provider.
- C) Death of the Primary Care Physician.
- D) Disenrollment of the Primary Care Physician and/or Primary Care Pharmacy from the Medical Assistance Program.
- E) Notice from the Primary Care Physician and/or Primary Care Pharmacy that they will no longer serve as the Primary Care Provider.
- 2) The Department will notify the recipient in writing if the Primary Care Physician and/or Primary Care Pharmacy has disenrolled as a provider of Medicaid services or if the provider notifies the Department of their unwillingness to continue to serve as the recipient's Primary Care Provider.
- 3) Changes in designated Primary Care Physician and/or Primary Care Pharmacy shall be processed effective with the next regular issuance of the Medical Eligibility Card. A temporary medical card will be issued if necessary.

h) Length of Restriction

- 1) Once recipients are restricted they remain in restriction for a minimum of four full quarters. If restricted recipients transfer to a different assistance unit, the restriction will be processed to follow the recipient. If a restricted recipient becomes inactive and is subsequently reactivated, the restriction will be reactivated until such time as four full quarters have elapsed.
- 2) Reevaluation of the Recipient's Medical Usage

DEPARTMENT OF PUBLIC AID

NOTICE OF PROPOSED AMENDMENT

Section 120.80 Recipient Restriction Program (Cont'd)

- A) When a recipient has had his/her medical card restricted for four full quarters, the Department shall reevaluate the recipient's medical usage to determine whether the recipient continues to receive medical services that are not medically necessary. The Department shall evaluate each case not later than eighteen months after the effective date of restriction. If the recipient is still receiving medical services that are not medically necessary, the restriction shall be continued for another four full quarters. If the recipient no longer is receiving medical services that are not medically necessary, the restriction shall be discontinued. A "quarter", for purposes of this Section, shall be defined as one of the following three-month periods of time: January-March, April-June, July-September or October-December.
- B) If necessary to determine if medical services that are not medically necessary are still being received, the Department shall obtain a complete copy of the recipient's medical record from the Primary Care Physician. The medical record will be reviewed by the Medical Assistant Consultant with a final determination by a licensed physician and/or pharmacologist to determine if the level of medical services is necessary.
- C) If the decision is to release the recipient from restriction, such release will be processed effective with the next regular issuance of the Medical Eligibility Card so that the card no longer displays a program restriction code or a physician's and/or pharmacy's name for the recipient.
- D) If the services are determined to be medically unnecessary, the recipient will be notified in writing of the continued restriction as set forth in subsection (c)

Such notification shall provide twenty-one (21) calendar days for the recipient, grantee or caretaker relative to cooperate by completing and returning to the Department a form which designates a new Primary Care Physician and/or Primary Care Pharmacy; or the selection of a Health Maintenance Organization. In the event the Department is not provided with a response within the twenty-one (21) calendar day period, a Primary Care Physician and/or Primary Care Pharmacy will be designated by the Department in accordance with subsection (d)(2).

- 3) If the restriction is continued, the recipient shall continue to be restricted for an additional four full quarters. Subsequent to this four quarter period, a review will be conducted in accordance with subsection (h)(2).

Investigation shall be conducted on contacts for whom sufficient information to identify the person is available, such as first and last name, street address or telephone number.

- D5) The counselor may prioritize the order in which contacts are to be investigated. The counselor shall provide first priority to those contacts who (based again on the counselor's professional judgment), except for contact notification, may not have reason to suspect they may be infected because the counselor has no information that the contacts:

In no case shall such records be maintained for a period to exceed six months. Such records shall be confidential and shall at all times be maintained in the same manner as those maintained for reported cases of AIDS. After six months, such

The individual shall also be advised to refrain from performing exposure-prone invasive procedures, except in accordance with the

recommendations of an expert review panel which has been convened pursuant to the Centers for Disease Control's "Recommendations for Preventing Transmission of HIV and Hepatitis B Virus to Patients During Exposure-Prone Invasive Procedures" (see Section 693.15 (c)(5) of this Part);

iii) If the individual has or is likely to have performed invasive procedures the Local Health Authority shall refer the case to the Department for risk assessment and follow-up;

iv) The Department shall interview the health care provider or the provider's estate to complete the investigation and assess the potential risk of HIV transmission from the provider to his or her patients, based on the provider's practice and the types and frequencies of invasive procedures performed. Others may be interviewed as necessary to complete the investigation and assess the potential risk of HIV transmission from the provider to his or her patients;

The health care provider shall also be advised to refrain from any future performance of exposure-prone invasive procedures, except in accordance with the recommendations of an expert review panel convened pursuant to the Centers for Disease Control's "Recommendations for Preventing Transmission of HIV and Hepatitis B Virus to Patients During Exposure-Prone Invasive Procedures" (see Section 693.15 (c)(5) of this Part);

The health care provider shall be given the opportunity to submit any information and comments to the Department concerning such notification, and shall be offered the opportunity to self-notify his or her patients within 45 days, in accordance

DEPARTMENT OF PUBLIC HEALTH

The Department shall review BUT SHALL NOT COPY OR SEIZE the provider's records. The Department shall identify and notify in a timely manner all patients who received exposure-prone invasive procedures or have otherwise been determined by the Department to have been at risk for HIV transmission.

DEPARTMENT OF REHABILITATION SERVICES
NOTICE OF PROPOSED AMENDMENT

Section 685.600 Service Cost Maximum

- a) If all other factors of eligibility are met, local office staff will prepare an individualized service plan for each client to address all unmet service needs of the client as measured by the DON and according to the provisions of 89 Ill. Adm. Code 700. The cost of the required services on this plan may not exceed the amount the state would expect to pay for the institutional care of a client having similar scores on the DON. Individuals whose eligibility for the HSP is determined on or after the effective date of this Section shall have their need for long term care established in accordance with subsection 685.500(e)(1) and (2). Their monthly-SEM-is-as-follows:

b) As of July 1, 1991 the following Service Cost Maximums will apply:

Total Determination of Need Score	Service Cost Maximum
18 through 28	No more than \$426488
29 through 32	No more than \$566644
33 through 40	No more than \$787804
41 through 49	No more than \$785893

- bc) Cases on hand June 30, 1983, which have case costs that exceed the maximum projected monthly institutional cost, may continue to be subject only to the institutional cost standards in force prior to July 1, 1983, (see Appendix A). All cases on hand June 30, 1983, will otherwise be subject to this and all other eligibility criteria stated in 89 Ill. Adm. Code: Chapter IV, Subchapter d.

DEPARTMENT OF REHABILITATION SERVICES
NOTICE OF PROPOSED AMENDMENT

- ed) Where changes of service needs are temporary and would result in costs which would exceed the projected monthly institutional cost and do not otherwise require a redetermination, an average monthly cost will be used. However, the average monthly service cost over a 12 month period must be within the allowable maximums. For the purposes of this provision, the 12 month period would include the 11 previous months, if applicable, plus the month of the temporarily increased service cost. This determination of average cost will be conducted for each month of service in which the service cost exceeds the monthly maximum.

de) Denial of HSP Service Eligibility

- 1) Eligibility for HSP services is to be denied if:
- The client's physician will not certify the safety of serving the client at home.

- 2) Where clients are denied services for any of these reasons, the client shall be referred for assistance to a local social service agency, local home health agency or visiting nurses association if the client refuses needed institutional care.

Section 470.110 Imposition of Tax

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENTS

- a) There is imposed upon persons engaged in the business of distributing, supplying, furnishing or selling gas to persons for use or consumption and not for resale, a tax at the rate of 5% of the gross receipts from any such business, 2.4 cents per therm of all gas which is so distributed, supplied, furnished or sold or transported to or for each customer in the course of such business, or 5% of the gross receipts received from each customer from such business, whichever is the lower rate as applied to each customer for that customer's billing period, provided that any change in rate imposed by this amendatory Act of 1985 shall become effective only with bills having a meter reading date on or after January 1, 1986. However, such taxes are not imposed with respect to any business in interstate commerce, or otherwise to the extent to which such business may not, under the Constitution and statutes of the United States, be made the subject of taxation by this State. Nothing in this amendatory Act of 1985 shall impose a tax with respect to any transaction with respect to which no tax was imposed immediately preceding the effective date of this amendatory Act of 1985. (Ill. Rev. Stat. 1985, ch. 120, par. 467.17: Section 2 of the Act)

- b) In determining which of the Gas Revenue rate calculations, 2.4 cents per therm or 5% of gross receipts, applies for a billing period, the taxpayer may not separately calculate the tax with respect to service taken under each service classification reflected on the customer's bill. The taxpayer must compute the tax for each customer by comparing 5% of the gross receipts from all services provided to the customer with 2.4 cents times the total number of therms of gas delivered to the customer under every service classification.

- c) The purchase of natural gas at an out-of-State well head for use or consumption by an Illinois consumer is not subject to the Gas Revenue Tax. However, if such natural gas is transported by a utility company located in this State, such natural gas is subject to the Gas Revenue Tax based upon such company's receipts from the transporting of the natural gas in this State to the Illinois consumer's facility.

- b)d) This tax is an occupation tax. It is imposed upon taxpayers, as defined in the Act, and is not imposed upon persons for whom services within the Act are rendered by such taxpayers, nor is it imposed upon the act of rendering such services. The amount of tax payable by a taxpayer is to be measured by, or to be computed upon a basis of, the gross receipts of the taxpayer from the business of distributing, supplying, furnishing or selling gas for use or consumption.

ee) For a definition of "Gross receipts", see Section 470.101 of this Part.

Section 470.115 Effective Period of Act (Repealed)

~~The Gas Revenue Tax Act became effective July 24, 1945. From March 11, 1927, through July 23, 1945, persons who were engaged in the business of distributing, supplying, furnishing or selling gas for use or consumption were subject to The Public Utilities Revenue Act (Ill. Section 470.120 Returns

a) Except as provided hereinafter in this regulation, every taxpayer upon whom the tax is imposed must file a return with the Department by the 15th of each month covering the preceding month. Each return shall set forth the information required to be given therein.

b) If the taxpayer's average monthly tax liability to the Department does not exceed \$100.00, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year, and with the return for October, November and December of a given year being due by January 31 of the following year.

c) If the taxpayer's average monthly tax liability to the Department does not exceed \$20.00, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

d) Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

e) Each taxpayer whose average monthly liability to the Department under this Act was \$10,000 or more during the preceding calendar year, excluding the month of highest liability and the month of lowest liability in such calendar year, and who is not operated by a unit of local government, shall make estimated payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which tax

liability to the Department is incurred in an amount not less than the lower of either 22.5% of the taxpayer's actual tax liability for the month or 25% of the taxpayer's actual tax liability for the same calendar month of the preceding year.

f) Notwithstanding any other provision in this Act concerning the time within which a taxpayer may file his return, in the case of any taxpayer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such taxpayer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

fg) The return is to be made on forms prescribed and furnished by the Department and must be signed by the taxpayer or his duly authorized agent for this purpose. It is the duty of each taxpayer to obtain return forms, and failure to obtain such forms will not relieve a taxpayer from liability for any penalties attaching to failure to make any return.

gh) At the same time that the returns required by the Act are filed with the Department, the taxpayer shall pay the tax computed upon gross receipts derived from engaging in the business of distributing, supplying, furnishing or selling gas for use or consumption.

hi) Where any taxpayer furnishes services within the Act at more than one location in Illinois, he shall file a consolidated return covering business operations at all such locations, and such taxpayer will not be required, nor permitted, to file a separate return for and with respect to each such location. A taxpayer shall be required to file such supplementary schedules as the Department may require.

- 1A) It either makes investments which cause the creation of a minimum of 200 full-time equivalent jobs in Illinois or makes investments which cause the retention of a minimum of 1,000 full-time jobs in Illinois;
 - 2B) it is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act, and
 - 3C) is certified by the Department of Commerce and Community Affairs as complying with the requirements specified in subsections (4) (A) and (2) (B), above. (See Sections 9-222 and 9-222.1 of The Public Utilities Act (Ill. Rev. Stat. 1989, ch. 111 2/3, pars. 9-222 and 9-222.1))

Section 470.145 Furnishing of Gas

- a) The tax applies with respect to the consideration received by a taxpayer for gas distributed, supplied, furnished or sold to any person in a taxable transaction for use or consumption and not for resale. All such receipts are within the Act. There is no limitation in the application of the tax to any particular use or consumption of these services. However, for information concerning exemptions for transactions with certain kinds of customers, see Section 470.160 of this Part.
- b) Gas furnished to other taxpayers engaged in this business of distributing, supplying, furnishing or selling to their customers the gas so received is for resale and is not within the Act.
- c) The furnishing of gas includes gas furnished for use or consumption and not for resale, whether furnished at a meter rate dependent upon the quantity furnished, at flat rates per unit period of time, for a flat amount per outlet, or upon any other basis independent of the quantity of gas supplied.

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENTS

- d) Taxpayers are required to include in gross receipts by which they compute tax all consideration received for the furnishing of gas for use or consumption and not for resale, including flat fees, payments on contracts, minimum charges and the value of any other consideration for gas, including consideration in the form of property or services. (See Section 470.101(d) for the definition of gross receipts.)

- e) Except for amounts that are added to billings to reimburse taxpayers for the tax rate in excess of 3% as authorized by paragraph (b) of Section 36 of "An Act concerning public utilities," and except for charges that are added to customers' bills by taxpayers who are not subject to rate regulation by the Illinois Commerce Commission because of the tax that is imposed by the Act, taxpayers are required to include in taxable gross receipts any amounts collected from others to reimburse the taxpayer for the tax imposed by The Gas Revenue Tax Act or to reimburse the taxpayer for tax imposed by any municipality under Section 8-11-2 of the Illinois Municipal Code (Ill. Rev. Stat. 1983, ch. 24, par. 8-11-2) on the business of distributing, supplying, furnishing or selling gas for use or consumption, including all charges which the taxpayer is authorized by paragraph (a) of Section 36 of "An Act concerning public utilities" to collect from customers in this connection. The taxpayer may take this tax collected deduction from gross receipts only if the taxpayer states separately on its bill for gas to the purchaser how much tax, as permitted by law, is being passed on to the purchaser in addition to the charge for gas, or if the taxpayer periodically sends the purchaser a rate chart, showing separately from the rate for gas, how much tax, as permitted by law, will be charged by the taxpayer to the purchaser on each bracket or amount of cubic feet or therms of gas.

- f) Where a taxpayer furnishes gas which he has acquired from other taxpayers for use or consumption and not for resale, and he bills the consumer for such gas, he must include in gross receipts by which tax is computed the total receipts from the sale of such gas and not merely the amount of commissions which he may earn for the distribution of the same. The fact that a taxpayer has billed a consumer for gas distributed, supplied, furnished or sold to such consumer in prima facie evidence that such taxpayer distributed, supplied, furnished or sold services within the Act and is liable for tax with respect thereto.

Section 470.146 Agents

DEPARTMENT OF REVENUE

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENTS

NOTICE OF PROPOSED AMENDMENTS

a) An Illinois consumer of natural gas may utilize an agent in the purchase of natural gas from out-of-State producers. The agent will not incur Gas Revenue Tax liability with respect to the purchase of natural gas by the principal from out-of-State producers provided the agency relationship is properly documented.

Aeronautics Board, the Federal Reserve Board and other unincorporated boards of the Federal Government, etc.

b) In order to properly document the agency relationship so that the agent will not incur Gas Revenue Tax liability, the agent must maintain books and records that show:

b) Taxpayers are, however, liable for tax with respect to their gross receipts from gas distributed, supplied, furnished or sold to any agency or instrumentality of the United States Government, which agency or instrumentality is a corporate entity. This is true even though such gas may be used in the performance of governmental functions. For example, receipts from gas distributed, supplied, furnished or sold to Federal Reserves or National Banks, the Commodity Credit Corporation, the Federal Deposit Insurance Corporation, the Federal Crop Insurance Corporation or other such incorporated Federal agencies and instrumentalities engaged in the performance of governmental functions, are subject to tax.

1) a direct contract between the Illinois consumer and the out-of-State producer;

2) the passage of title to the purchaser outside the State of Illinois; and

3) that the out-of-State producer is not registered with the State of Illinois under The Gas Revenue Tax Act and has no nexus with the State of Illinois.

c) If the agent also provides in-State transportation of the natural gas, the agent acts in such capacity as a provider of transportation services and the gross receipts from transportation services are subject to The Gas Revenue Tax. If the agent bills the principal for both transportation and nontransportation charges on one bill to the principal, the charge for such transportation must be listed as a separate item on the bill to the principal from the charge for the agent's nontransportation services. The burden of documenting the agency relationship is upon the agent. In the absence of a separately stated charge for transportation services, the Department will determine that the entire charge to the principal is a transportation charge and hence subject to the Gas Revenue Tax.

Section 490.50 Returns (Repealed)

e) Except as hereinafter provided in this Part, every taxpayer upon whom the tax is imposed must file a return with the Department by the 15th of each month covering the preceding month. If the Director of Revenue shall find that the information required for the making of an accurate return cannot reasonably be compiled by a taxpayer within 15 days after the close of the calendar month for which a return is to be made, he may grant an extension of time for the filing of such return for a period of not to exceed 31 calendar days. The granting of such an extension is conditioned upon the deposit by the taxpayer with the Department of an amount of money not exceeding the amount estimated by the Director to be due with the return so extended. All such deposits, including any heretofore made with the Department, shall be credited against the taxpayer's liabilities under the Act. If any such deposit exceeds the taxpayer's present and probable future liabilities under the Act, the Department shall issue to the taxpayer a credit memorandum which may be assigned by the taxpayer to a similar taxpayer under the Act, in accordance with Section 490.90 of the Rules promulgated under The Messages Tax Act.

- g) The return is to be made on forms prescribed and furnished by the Department and must be signed by the taxpayer on his duly authorized agent for this purpose. It is the duty of each taxpayer to obtain return forms, and failure to obtain such forms will not relieve a taxpayer from liability for any penalties attaching to failure to make any return.
- h) At the same time that the returns required by the Act are filed with the Department, the taxpayer shall pay the tax computed upon gross receipts derived from engaging in the business of transmitting messages.
- i) Where any taxpayer furnishes services within the Act at more than one location in Illinois, he shall file a consolidated return covering business operations at all such locations, and such taxpayer will not be required, nor permitted, to file a separate return for and with respect to each such location. A taxpayer shall be required to file such supplementary schedules as the Department may require.

Section 490.60 Gross Amount of Transactions or Billings Basis of Tax (Repealed)

- a) The Department will grant permission to a taxpayer to file returns required by the Act and to pay a tax imposed therein on the basis of gross amount of transactions, or gross billings of services within the Act, where the taxpayer keeps his books and records in such manner as not conveniently or readily to reflect his gross receipts from services within the Act, but keeps his books and records in a manner which does readily and conveniently reflect the gross amount billed for services within the Act.
- b) Where a taxpayer desires to file returns and pay taxes on the basis of gross amount of services within the Act billed, he shall file written request with the Department of permission to report on this basis on forms prepared by the Department and shall obligate himself to pay any additional amounts of tax which an audit of the books and records of such taxpayer may disclose to be owing and due upon this basis. Bad debts or uncollectible accounts actually written off the books of a taxpayer will be allowed as a deduction from gross billings in the return filed for

the month in which they are written off, where a tax has previously been paid with respect to the amounts thereof.

- e) Where permission to make returns and pay tax on a basis of gross amount of services billed has been granted, no change of a gross receipts basis will be allowed except at the end of a tax year ending June 30, and then only upon written authorization of the Department. The Department reserves the right, on notice, to require a taxpayer to make a return and pay tax on a gross receipts basis whenever it may deem such action necessary or expedient to protect the State against loss.

Section 490.70 Certificate of Registration (Repealed)

- a) An application for a Certificate of Registration shall be filed with the Department by every person subject to The Messages Tax Act, whereupon the Department will assign an account number to each such taxpayer and will issue a Certificate of Registration to such taxpayer. Such certificate is required to be conspicuously displayed at the taxpayer's principal place of business. For each additional location at which the taxpayer does business, the Department will furnish a Sub-Certificate of Registration which will bear the same account number as that appearing on the taxpayer's master Certificate of Registration, and which must be conspicuously displayed at the place of business for which such Sub-Certificate of Registration is issued.

- b) If any Certificate or Sub-Certificate is destroyed or defaced as a result of natural wear and tear, upon certification of this fact on a proper form to the Department, a duplicate copy or copies thereof will be issued to the taxpayer.

- c) Certificates of Registration are non-transferable and must be returned to the Department in case the taxpayer's place of business is sold or discontinued. Where the taxpayer's place of business is moved to another location, the Certificate must be removed and returned to the Department and the Department advised of such change in location.

Section 490.80 Books and Records (Repealed)

- a) A taxpayer must make and maintain complete records covering receipts from all sources, including receipts from transactions not included in the measure of the tax. A taxpayer's records are

DEPARTMENT OF REVENUE

required clearly to indicate the complete information required by the returns. In general, such records and accounts shall be kept in the American language and upon such basis as will facilitate verification of the entries on the returns required by the Act. Books and records shall include copies of original invoices or bills issued to customers covering services within the Act.

- b) The Act requires that "All books and records and other parts and documents required by this Act to be kept shall be kept in the American language and shall, at all times during business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees. Books and records reflecting gross receipts received during any period with respect to which the Department is authorized to establish liability as provided in Section 5 of the Act (approximately 3 1/2 years) shall be preserved until the expiration of such period unless the Department, in writing, authorizes their destruction or disposal at an earlier date." (Parenthetical phrase supplied.)

Section 490.90 Claims to Recover Erroneously Paid Tax (Repealed)

- a) Where a taxpayer has paid to the Department any tax or penalty or interest not due under the provisions of the Act, either as a result of a mistake of fact or an error of law, such taxpayer may file a claim for credit on the form provided by the Department for that purpose. Upon receipt of such claim, the Department will examine the same and upon approval, the Department will issue a credit memorandum in the amount of the overpayment. Such credit memorandum may be applied by the taxpayer to discharge any liability for tax or penalty or interest due or to become due from him under The Messages Tax Act.

- b) In no case may a taxpayer deduct from the amount of tax to be remitted as shown by a return made to the Department, the amount of any overpayment of tax made by him during any prior period of time unless such deduction is supported by a duly issued credit memorandum.

- c) Credit memoranda issued to any taxpayer on account of any overpayment of taxes or penalties or interest under any law shall not be used to discharge any liability for tax or penalty or interest under The Messages Tax Act.

- d) A credit memorandum issued under The Messages Tax Act may (subject to reasonable rules of the Department) be assigned by the person to whom such credit memorandum is issued to any other

DEPARTMENT OF REVENUE

taxpayer under The Messages Tax Act.

- e) In case the Department determines that the claimant is entitled to a refund, such refund shall be made only from such appropriation as may be available for that purpose. If it appears unlikely that the amount appropriated would permit everyone having a claim allowed during the period covered by such appropriation to elect to receive a cash refund, the Department will make such refunds only in hardship cases (i.e., in cases in which the claimant cannot use a credit memorandum). The two most likely situations where this would be the case are the situation in which the claimant has discontinued business and the situation in which the claimant will have a small volume of liability to the Department in the foreseeable future, but receives a large credit memorandum which it therefore might take the claimant a long time to liquidate by using it to pay current taxes. In these instances, the claimant probably would have to sell the credit memorandum at a loss in order to realize anything from it within any reasonable period of time.

Section 490.100 Transmission of Messages and Gross Receipts Therefrom (Repealed)

- a) Meaning of "Transmitting Messages"

- 1) The phrase "Transmitting messages", includes all services rendered and facilities provided in connection therewith by a taxpayer in transmitting messages by any means. It also includes the leasing or rental of equipment or property to all persons for the transmission of messages by such lessees, excepting lessees who themselves use or furnish such facilities for the transmission of messages for a consideration. The latter class of lessees are themselves subject to the provisions of the Act. Receipts accruing from leases or rentals of private wires, private branch exchange equipment and the like are within the Act. Messenger or any other service utilized by a taxpayer in transmitting any information for which a toll is charged is likewise part of transmitting messages.

- 2) The phrase "Transmitting messages", includes photographs, radiograms, telephotos, quotation and news ticker service, teletypewriter service, timed wire service, serial day letters, C.N.D. service, stock and commercial news service and other such services rendered by a taxpayer. The receipts of a taxpayer from the rendering of any such services are

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED REPEALER

included in gross receipts within the Act. Receipts from leased wire or talking circuit special service referred to above for the transmission of telegraph or telephone messages are likewise included in gross receipts from transmitting messages.

3) The transmitting of messages is deemed to begin when the message is delivered by the sender to the taxpayer, or to the agent of the taxpayer, and continues until the receipt of the message by the addressee or his agent. Where the sender of a message uses and pays a telephone company for a telephone toll message to reach a telegraph office, the transmission of the telegraph message begins at the telegraph office, and the telegraph company transmitting such telegraph message is liable for tax with respect to its receipts from the transmission beginning at its office. The telephone message is a separate service rendered by the telephone company transmitting the message for the sender, and the telephone company is liable for tax with respect to its receipts from this service. However, if the telephone company also acts as agent of the telegraph company in collecting the toll charge for the telegraph message, its commission received for this service is not within the Act.

4) The transmitting of messages includes transmission of such messages under contracts entered into by taxpayers in consideration for the payment of a lump sum of money, or for the performance of services, or the transfer of property or any other valuable consideration. For example, where a telegraph company agrees to transmit over its wires along a railroad right of way all messages relating to railroad business "free", and all messages over its wires off the railroad right of way "free" to an amount not exceeding \$10,000 per year calculated at its regular rates, all messages over that amount being charged at half rates, in consideration of services to be performed by the railroad in the transportation of persons and property of the telegraph company all such receipts by the telegraph company for the transmission of messages must be included in the gross receipts of the telegraph company in computing its tax.

b) Gross Receipts from Transmitting Messages

4) Gross receipts from transmitting messages for any person (except as noted in Section 490.130 of this Part) or for any purpose are within the Act. There is no limitation in the application of the tax to any particular use or consumption of these services.

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED REPEALER

2) Gross receipts of a telephone company coming within the Act will include all local service revenues, including subscribers' stations, public telephones, service stations, local private line service and other local service revenues. It also will include toll service revenues, including message toll, toll private line service and other toll service revenue. Toll revenues include:

- A) Revenues from messages transmitted wholly over a company's lines between points in different exchange areas, whether from subscribers or pay stations;
- B) a telephone company's proportion of revenues on messages transmitted partly over the company's lines including commissions for originating messages and mileage;
- C) commissions allowed a telephone company by others for switching or handling toll messages within the exchange area or for originating such messages; and
- D) other toll service revenue.

Gross receipts within the Act also include revenue from exchange service, including rentals of subscribers and pay stations for local service, revenues from switching service for rural lines and other like revenue.

3) Where a message is transmitted over the lines of more than one telephone or telegraph company, there is one message and one transmission. The gross receipts of each telephone or telegraph company participating in the joint transmission of such messages are that portion of the total message charge received and retained by each such telephone or telegraph company as its consideration for its part of such transmission.

4) Gross receipts of a telegraph company coming within the Act will include all revenues from the transmitting of telegraph messages and from services rendered in connection therewith and shall further include receipts from the leasing or rental of equipment or property for transmitting telegraph messages. Such gross receipts will include all commercial telegraph tolls, both on messages handled exclusively by the paying company or received as that company's proportion of revenues on through

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED REPEALER

messages handled jointly with landline telegraph, wireless telegraph, telephone and other companies. Gross receipts will also include press telegraph tolls, money transfer tolls, stock and commercial news revenues and government telegraph tolls, except such as are not within the Act within the meaning of Article 13 thereof, and all other telegraph transmission revenues. Gross receipts will further include rentals from leased wires or other equipment or property for transmitting telegraph messages, messenger service revenues for transmitting telegraph messages and all other such revenues.

5) If a taxpayer transmits messages free of any charge whatsoever, no tax arises from the transmission, but if the taxpayer in fact receives a consideration for the transmission in money, property, services, credits or other valuable consideration, the tax must be paid with respect to such gross receipts. In making his returns, a taxpayer shall determine the value of any consideration other than money received by him and shall include such value as gross receipts within his returns. Such determination is subject to review and revision by the Department.

6) Except for amounts that are added to billings to reimburse taxpayers for the tax rate in excess of 3% as authorized by paragraph (b) of Section 36 of "An Act concerning public utilities", and except for charges that are added to customers' bills by taxpayers who are not subject to rate regulation by the Illinois Commerce Commission because of the tax that is imposed by the Act, taxpayers are required to include in taxable gross receipts any amounts collected from others to reimburse the taxpayer for the tax imposed by the Messages Tax Act or to reimburse the taxpayer for tax imposed by any municipality under Section 8-11.2 of the Illinois Municipal Code on the business of transmitting messages, including all charges which the taxpayer is authorized by paragraph (a) of Section 36 of "An Act concerning public utilities" to collect from customers in this connection. The taxpayer may take this tax collected deduction from gross receipts only if the taxpayer states separately on its bill for the transmission of messages to the purchaser how much tax, as permitted by law, is being passed on to the purchaser in addition to the charge for the transmission of messages.

7) A taxpayer is not entitled to deduct from the contract consideration, or from any additional payments for the services described above, any salaries of operators employed

DEPARTMENT OF REVENUE

by it, charges for equipment, instruments or other apparatus, drops intermediate to terminal, branch or leg lines, exchange service, overtime service or any other item of expense or cost of doing business.

Section 490.110 Mutual Companies (Repealed)

a) Mutual telephone companies are liable for tax under the Act. The Act imposes a tax upon persons engaged in the business of transmitting messages. The Act defines "person" to include an "association" of individuals. Consequently, where any association of individuals conducts a business of transmitting messages, whether or not for profit, and whether or not exclusively for its own members, it becomes a taxpayer liable for tax under the Act.

b) It is immaterial whether or not a mutual company owns the switchboard to which it is connected, or is a "roadway" company and pays switching charges to another company for use of a switchboard. It is likewise immaterial whether a mutual company is connected with any switchboard. In any case where a mutual company engages in the business of transmitting messages, it becomes liable for tax under the Act.

c) Where the only income of a mutual company is composed of receipts from stockholders' subscriptions, such stockholders' subscriptions become the measure of its tax under the Act.

d) Where other receipts accrue from transmitting messages, or from services rendered in connection therewith, such receipts, as well as receipts from stockholders' subscriptions, become the measure of the tax to be paid by such mutual company.

e) However, that portion of receipts which is forwarded to and retained by another company for switching, exchange, toll or other services, may be deducted from the gross receipts by which the mutual company measures its tax liability.

490.120 Transactions in Interstate Commerce (Repealed)

a) The tax is not imposed upon any taxpayer with respect to any transaction in interstate commerce to the extent that such transactions may not, under the Constitution and statutes of the United States, be made the subject of taxation by this State. Insofar as the tax is imposed upon taxpayers transmitting

~~messages the following general principles will apply in determining whether or not transactions are in interstate commerce:~~

- ~~1) Where a message originates in Illinois, and the taxpayer, upon the direction of the sender, transmits the message to an addressee or his agent at a point terminating outside of Illinois, the transaction is in interstate commerce, and the taxpayer is not liable for tax with respect to his receipts therefrom;~~
- ~~2) Where a message originates outside of Illinois and the taxpayer, upon the direction of the sender, transmits the message to an addressee or his agent located within Illinois, the transaction is in interstate commerce, and the taxpayer is not liable for tax with respect to his gross receipts therefrom;~~
- ~~3) Where the message originates in Illinois, and the taxpayer, on direction of the sender, transmits the message to an addressee or his agent at a second point in Illinois, the transaction is not in interstate commerce, and the taxpayer is liable for tax with respect to gross receipts therefrom. This rule applies notwithstanding the fact that a portion of the lines of the taxpayer upon which such message was transmitted may be located outside of Illinois.~~

b) ~~Where a taxpayer furnishes leased wire or talking circuit special service consisting exclusively of closed circuits between a point or points within Illinois and a point or points outside of Illinois, the receipts from services so furnished are not within the Act. However, where any such circuits have drops in Illinois, permitting the transmission of messages from one point in Illinois to a second point in Illinois, and there is in the contract no reasonable established division of charges as between services rendered in Illinois and services rendered outside of Illinois, the taxpayer is liable for tax with respect to gross receipts accruing from incidental services and facilities furnished within Illinois plus that proportion of the general contract consideration as the wire mileage within Illinois bears to the total wire mileage contracted for. Where there is reasonable division of charges as between services rendered outside of Illinois provided in the contract, the taxpayer shall be liable for tax with respect to receipts from service rendered within Illinois.~~

Section 490.130 Messages Transmitted for the United States Government (Repealed)

a) ~~Taxpayers are not liable for tax with respect to their receipts from the transmission of messages for the United States Government, its unincorporated departments, agencies or instrumentalities. This would include the transmission of messages for the United States Defense Department, the United States Post Office Department and other unincorporated departments of the Federal Government, the Interstate Commerce Commission, the Federal Communications Commission, the Atomic Energy Commission and other unincorporated commissions of the Federal Government, the Civil Aeronautics Board, the Federal Reserve Board and other unincorporated boards of the Federal Government, etc.~~

b) ~~Taxpayers are, however, liable for tax with respect to their gross receipts from the transmission of messages for any agency or instrumentality of the United States Government, which agency or instrumentality is a corporate entity. This is true even though such messages are transmitted for such corporate entity in the performance of its governmental functions. For example, receipts from the transmission of messages for Federal Reserve or National Banks, the Commodity Credit Corporation, the Federal Deposit Insurance Corporation, the Federal Crop Insurance Corporation, or other such incorporated Federal agencies and instrumentalities engaged in the performance of governmental functions, are subject to tax.~~

Section 490.160 Federal Taxes (Repealed)

The United States government imposes taxes upon telephone or radio telephone conversations and upon telegraph dispatches and messages and upon cable and radio dispatches and messages. For so long as these Federal taxes are required to be paid by the person who pays for the service or facilities (though collected by a taxpayer under this Act), they may be deducted from the total gross receipts resulting from such services in computing the taxpayer's liability under the Messages Tax Act. Such receipts are not a part of the consideration received for the transmission of telegraph or telephone messages, etc., but are separately collected from customers by the taxpayers acting as agents for the Federal government.

Section 490.170 Services Furnished to Officers or Employees (Repealed)

A taxpayer is liable for tax with respect to gross receipts from services within the Act furnished to his officers or employees, whether at regular rates or at reduced rates. This rule applies equally when the consideration for services within the Act so furnished takes the form of a deduction from or adjustment in wages or salaries payable to officers or employees, or when it takes the form of services rendered to the taxpayer by employees for which no specific compensation is paid.

(Source: Repealed at Ill. Reg. _____, effective _____)

Section 490.180 Interdepartmental Transfers (Repealed)

a) Transmission of messages between the various departments of a taxpayer does not result in any liability for tax under the Act, notwithstanding that one department of the taxpayer is receiving such services is, for accounting purposes, charged with the value of the services by another department of the same taxpayer rendering such services.

b) However, where services within the Act are rendered to a separate corporation or legal entity, the taxpayer rendering the service is liable for tax with respect to his gross receipts from such transactions.

c) It is immaterial that services within the Act so furnished by a taxpayer are furnished to his wholly owned subsidiary, or that two corporations may be wholly or partially under a common ownership or management. The Department will not disregard separate corporate entities in applying the Act.

Section 490.190 Discounts, Penalties and Finance or Interest Charges (Repealed)

a) Where taxpayers allow discounts from gross charges for services within the Act because of prompt payment of accounts, the amount of such discounts are not included within gross receipts by which tax is computed.

b) Where taxpayers add and collect penalties or interest upon delinquent accounts or upon accounts involving installment payments, the amounts of such penalties or interest so added and paid need not be included in gross receipts, provided that the amounts thereof are separately itemized and billed to the persons to whom the services are furnished and separately recorded upon the books and records of the taxpayer. If the amounts of such penalty, interest or finance charges are not separately billed and itemized to the person to whom the services are furnished and separately recorded upon the books and records of the taxpayer, the total amount thereof must be included in gross receipts by which the tax is computed.

c) Where a "gross amount" and "net amount" are billed to a customer on the same invoice for services furnished, the "net amount" representing the charge if paid within a stated period of time, the "gross amount" being the charge payable after such stated time has elapsed, the difference between the two amounts is deemed to be a penalty or interest charge separately billed.

Section 490.200 Sales of Appliances, Equipment or Services Subject to Other Tax Acts (Repealed)

a) Taxpayers should not include in receipts by which they compute their tax liability under the Act any receipts from the sale of tangible personal property for use or consumption with respect to which a tax is imposed under the Retailers' Occupation Tax Act (Ill. Rev. Stat. 1987, ch. 120, pars. 440 et seq.). Taxpayers engaging in the sale of stoves, refrigerators, appliances, equipment or other tangible personal property to users or consumers are required to make a separate return under the Retailers' Occupation Tax Act on forms provided for that purpose and to pay the tax as prescribed by that Act. Such transactions should not be included in any returns made under The Messages Tax Act.

b) Receipts that are subject to The Public Utilities Revenue Act and

each customer for that customer's billing period, provided that any change in rate imposed by this Amended Act of 1985 shall become effective only with bills having a meter reading date on or after January 1, 1986. However, such taxes are not imposed with respect to any transaction in interstate commerce, or otherwise, to the extent to which such business may not, under the Constitution and statutes of the United States, be made the subject of taxation by this State. Nothing in this Amended Act of 1985 shall impose a tax with respect to any transaction with respect to which no tax was imposed immediately preceding the effective date of this Amended Act of 1985. (Ill. Rev. Stat. 1985, ch. 120, par. 469. Section 2 of the Act)

- b) This tax is an occupation tax. It is imposed upon taxpayers, as defined in the Act, and is not imposed upon persons for whom services within the Act are rendered by such taxpayers, nor is it imposed upon the act of rendering such services. The amount of tax payable by a taxpayer is to be measured by, or to be computed upon a basis of, the gross receipts of the taxpayer from the business of distributing, supplying, furnishing or selling electricity for use or consumption.
- c) For a definition of "Gross receipts", see Section 510.101(a)(3) of this Part.

- c) If the taxpayer's average monthly tax liability to the Department does not exceed \$20.00, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

- d) Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

- e) Each taxpayer whose average monthly liability to the Department under this Act was \$10,000 or more during the preceding calendar year, excluding the month of highest liability and the month of lowest liability in such calendar year, and who is not operated by a unit of local government, shall make estimated payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which tax liability to the Department is incurred in an amount not less than the lower of either 22.5% of the taxpayer's actual tax liability for the month or 25% of the taxpayer's actual tax liability for the same calendar month of the preceding year.

- fg) The return is to be made on forms prescribed and furnished by the Department and must be signed by the taxpayer or his duly authorized agent for this purpose. It is the duty of each taxpayer to obtain returns forms, and failure to obtain such forms will not relieve a taxpayer from liability for any penalties attaching to failure to make any return.

- gh) At the same time that the returns required by the Act are filed with the Department, the taxpayer shall pay the tax computed upon gross receipts derived from engaging in the business of distributing, supplying, furnishing or selling electricity for use or consumption.

NOTICE OF PROPOSED AMENDMENTS

Section 510.145 Furnishing of Electricity

a) The tax applies with respect to the consideration received by a taxpayer for electricity distributed, supplied, furnished or sold to any person in a taxable transaction for use or consumption and not for resale and for all services (including the transmission of electricity for an end-user) rendered in connection therewith. All such receipts are within the Act. There is no limitation in the application of the tax to any particular use or consumption of these services. However, for information concerning exemptions for transactions with certain kinds of customers, see Section 510.160 and 510.165 of this Part.

b) Electricity furnished to other taxpayers engaged in the business of distributing, supplying, furnishing or selling to their customers the electricity so received is for resale and is not within the Act.

c) Furnishing of electricity includes electricity furnished for use or consumption and not for resale, whether furnished at a meter rate dependent upon the quantity furnished, at flat rates per unit period of time, for a flat amount per outlet or per drop, or upon any other basis independent of the quantity of electricity furnished.

d) Taxpayers are required to include in gross receipts by which they compute tax all consideration received for the furnishing of electricity for use or consumption and not for resale, including flat fees, payments on contracts, minimum charges and the value of any other consideration for electricity, including consideration in the form of property or services. (See Section 510.101(e) for the definition of gross receipts.)

e) ~~Except for amounts that are added to billings to reimburse taxpayers for the tax rate in excess of 3% as authorized by paragraph (b) of Section 36 of the Act concerning public utilities, and except for charges that are added to customers' bills by taxpayers who are not subject to rate regulation by the Illinois Commerce Commission because of the tax that is imposed by the Act, taxpayers are required to include in taxable gross receipts any amounts collected from others to reimburse the taxpayer for the tax imposed by the Public Utilities Revenue Tax Act or to reimburse the taxpayer for tax imposed by any municipality under Section 8-11-2 of the Illinois Municipal Code (Ill. Rev. Stat. 1983, ch. 24, par. 8-11-2) on the business of distributing, supplying, furnishing or selling electricity for use or consumption, including all charges which the taxpayer is authorized by paragraph (e) of Section 36 of the Act concerning public utilities to collect from customers in this connection. The taxpayer may take this tax~~

The fact that a taxpayer has billed a consumer for electricity distributed, supplied, furnished or sold to such customer is prima facie evidence that such taxpayer distributed, supplied, furnished or sold services within the Act and is liable for tax with respect thereto.

Section 510.160 Sales of Electricity to the United States Government

- a) Taxpayers are not liable for tax with respect to their receipts from electricity distributed, supplied, furnished or sold to the United States Government, its unincorporated departments, agencies or instrumentalities. This would include sales to the United States Defense Department, the United States Post Office Department and other unincorporated departments of the Federal Government; the Interstate Commerce Commission, the Federal Communications Commission, the Atomic Energy Commission and other unincorporated commissions of the Federal Government; the Civil Aeronautics Board, the Federal Reserve Board and other unincorporated boards of the Federal Government, etc.
- b) Taxpayers are, however, liable for tax with respect to their gross receipts from electricity distributed, supplied, furnished or sold to any agency or instrumentality of the United States Government, which agency or instrumentality is a corporate entity. This is true even though such electricity may be used in the performance of governmental functions. For example, receipts from electricity distributed, supplied, furnished or sold to Federal Reserve or

10) Has JCAR issued a Statement of Objections to these amendments? No.

11) Differences between proposal and final version:

Section 120.115
Placed a period after "Default Provisions" in subsection (e)(5).

Subsection (e)(5)(A)(i) has been rewritten as follows: "Payment Default: the Department shall consider a loan to be in default when payment arrearage reaches 90 days. Grantees may place more restrictive payment arrearage provisions in their loan contracts."

In lines 6 and 7 of subsection (e)(5)(B)(i), deleted the commas.

The fourth sentence of subsection (e)(5)(B)(ii) has been revised to read: "No less than one-half of the proceeds from the interest penalty shall be treated as repaid principal."

In subsection (e)(5)(B)(ii), deleted the semicolon in line 21 and added the following language to the end of the subsection: "The Department will allow other equally punitive hiring noncompliance interdictions in grantees' loan contracts in lieu of the interest acceleration penalty. Such other interdictions may include (but are not limited to) fines, partial loan recall and pre-scheduled interim balloon payments;"

comma after "trends" in line 11.

Proposed Action: Amendment
Illinois Register Citation: September 27, 1991
15 Ill. Reg. 13993

15) Summary and Purpose of Amendments: The proposed amendments to Section 120.115 of the "State Administration of the Federal Community Services Block Grant Program" rules add specificity to the default provisions, requiring each loan contract to contain an interest acceleration clause to be effective in the event of loan hiring default. The provision is an adoption of similar interest acceleration clauses currently used by some CSBG lenders. It is intended to be an equitable method to enforce the low-income benefit necessary to justify the private use of CSBG funds. This rulemaking also updates the reference to the "Robert Morris Annual Statement Studies" to reflect the 1990 edition.

Section 120.115 CSBG Loan Programs

a) Loan Types

1) Fixed Rate Financing Fund Loan

DEPARTMENT OF COMMERCE AND COMMUNITY AFFAIRS

NOTICE OF ADOPTED AMENDMENTS

- A) CSBG funds are loaned through Grantees to an Illinois business in a separate but companion agreement to a conventional loan.
- B) The combined loans must exceed \$75,000.
- C) The CSBG loan represents no less than ten percent (10%) and no more than twenty percent (20%) of the total loan package (combined borrowing and equity).
- D) The conventional loan is obtained from a licensed Illinois lending institution. The Small Business Administration guarantees up to 90% of the private lending institution's loan through its 7(a) Guaranteed Loan Program (15 U.S.C. 636(a)). The lending institution may sell the guarantee, called a "guaranteed interest certificate" into the secondary money market at a fixed interest rate that is one-half to one percent above Treasury bonds of the same maturity.
- E) The CSBG loan term may not exceed 10 years.
- F) CSBG Loan interest rate (Fixed-Flexible option)
- i) The CSBG loan shall have a fixed interest rate of no more than five percent (5%); or
 - ii) At the grantee's option, the interest rate to the borrower may be set at loan inception at a rate not to exceed one-half (1/2) of the Prime Interest Rate (National Prime Rate as shown on that date in the Wall Street Journal). This calculated rate shall become the loan's fixed interest rate for a one year period. Thirty (30) days before the annual anniversary date of the loan, the Grantee shall notify the borrower of the interest rate to be charged for the next year (based on 1/2 of Prime at date of notice). The annual interest rate under this flexible option shall never exceed the original interest rate (ceiling) and the Grantee may set a minimum (floor) interest rate of five percent (5%) or less for the duration of the loan.
- G) The conventional and CSBG loan closings must be within 60 days of each other.
- 2) CSBG Revolving Loan

DEPARTMENT OF COMMERCE AND COMMUNITY AFFAIRS

NOTICE OF ADOPTED AMENDMENTS

- A) CSBG funds are loaned through Grantees to an Illinois business in a separate but companion agreement to a conventional loan.
- B) The CSBG loan represents no more than forty-nine percent (49%) of the total loan package (combined borrowing and equity).
- C) The conventional loan is obtained from a licensed Illinois lending institution.

D) The CSBG loan term may not exceed 10 years but may be for a shorter term at the discretion of the Grantee.

E) CSBG Loan interest rate (Fixed-Flexible option)

i) The CSBG loan shall have a fixed interest rate of no more than five percent (5%); or

ii) At the grantee's option, the interest rate to the borrower may be set at loan inception at a rate not to exceed one-half (1/2) of the Prime Interest Rate (National Prime Rate as shown on that date in the Wall Street Journal). This calculated rate shall become the loan's fixed interest rate for a one year period. Thirty (30) days before the annual anniversary date of the loan, the Grantee shall notify the borrower of the interest rate to be charged for the next year (based on 1/2 of Prime at date of notice). The annual interest rate under this flexible option shall never exceed the original interest rate (ceiling) and the Grantee may set a minimum (floor) interest rate of five percent (5%) or less for the duration of the loan.

F) The conventional and CSBG loan closings must be within 60 days of each other.

b) Hiring and Job Retention

1) Establishing a Pre-Loan Base Number of Employees -- The Grantee shall review the borrower's employment verification records at the time of the loan closing to establish the pre-loan employment level in order to assure that no personnel cuts were made by the business in anticipation of the pending loan and its hiring requirements.

2) Hiring Requirements

DEPARTMENT OF COMMERCE AND COMMUNITY AFFAIRS

NOTICE OF ADOPTED AMENDMENTS

A) Businesses accepting CSBG loan funds must hire at least one new full-time equivalency (minimum 37 1/2 hour work week, averaged annually) CSBG eligible (in accordance with Section 120.120) employee for each \$5,000 or any portion thereof of CSBG monies borrowed

Example:	\$	1-\$ 5,000	Minimum		
			1 Job	2 Jobs	3 Jobs; or
	\$	\$ 5,001-\$10,000			
	\$	\$10,001-\$15,000			

B) The Department shall allow, based on presentation of written verifiable jobs (to be created) salary data submitted as part of its loan application, the Grantee to set the amount loaned per job at fifty percent (50%) of the entry level salary for each proposed job up to a maximum of \$15,000 per job. (For example: an entry level salary of \$40,000 would warrant lending of \$15,000; a \$20,000 entry salary would warrant lending of \$10,000; a \$7,000 entry salary would warrant lending of \$3,500.) (No combination of (A) and (B) of this subsection is allowed. The Grantee shall choose one method or the other.)

C) If part-time employment is involved in the created jobs (under either (A) or (B) of this subsection), the full-time equivalency shall be no more than two employees making up one 37 1/2 hour work week.

D) A hiring schedule must be a part of each loan agreement. The required hiring must be completed within the first 24 months of the loan, with at least 50% of the new employees hired in the first 12 month period. (For purposes of this hiring timeframe, the loan is considered consummated the date the borrower first receives the loan funds.)

E) The job positions for CSBG eligible clients created by the loan must be retained and filled by an eligible client for at least 24 months from the date the job was first created. Grantees should attempt to retain the availability of the loan created jobs for CSBG eligible clients over the full loan term by maintaining professional contact (e.g., Job Training Partnership Act job referrals, Targeted Jobs Tax Credit Program) with the business and tracking the jobs. Grantees, through their individual loan agreements, may negotiate more restrictive hiring

requirements than stated in subsection (2).

c) Loan Fund Use

CSBG funds loaned may only be used to purchase machinery, equipment or inventory or to provide working capital. CSBG loans may not be used to purchase or improve real property (per Section 120.130 of this Part). This real property restriction does not apply to loans made with "Recaptured Loan Funds" (as described in subsection (h)).

d) Loan Security

Provisions (collateral) shall be made for first position on loan security. If first position is impossible because of the primary lender's claims, the Grantee should negotiate shared position with the private lender. Subordinate position for loan security should be the CAA's last resort. Loan agreements shall contain precise listings and assignment of collateral established as security for the loan.

e) Loan Contract Provisions

Each Grantee's loan contract with a borrower shall clearly, and in detail, specify the following:

- 1) Employment Plan (consisting of mechanism to assure CSBG client eligibility, timeframes, job descriptions);
- 2) Payment Schedule;
- 3) Interest Rate Charged;
- 4) Late Payment Penalty Provision (optional);
- 5) Default Provisions ~~{Hiring--and--Payback:--i.e;--minimum hiring-provisions-may-not-extend-beyond-24-months;-and-no more-than-90-days-payment-arrears}~~

A) Events of Default:

- i) Payment Default: the Department shall consider a loan to be in default when payment arrearage reaches 90 days. Grantees may place more restrictive payment arrearage provisions in their loan contracts.

- ii) Hiring Default: a loan shall be considered in default when the hiring provisions specified in

DEPARTMENT OF COMMERCE AND COMMUNITY AFFAIRS

NOTICE OF ADOPTED AMENDMENTS

this Part and in the loan contract have not been met.

B) Default Remedies:

- i) Payment Default: the loan will be called or renegotiated (loan renegotiation approval must be requested of the Department and will be approved when the Grantee's written request states that the renegotiation is the only practical means of loan recovery and/or will prevent bankruptcy and/or will prevent a loss of jobs to the local area).

- ii) Hiring Default: an interest acceleration clause shall be a part of each loan contract. At a minimum the clause shall provide that after notice by the Grantee to the borrower that the hiring provisions have not been met, the interest rate for the loan will increase to the National Prime Rate as shown in the Wall Street Journal on date of notice. Such increased rate shall remain in effect until hiring deficiencies have been corrected or the loan is called. No less than one-half of the proceeds from the interest penalty shall be treated as repaid principal. (The Department will allow a one-time waiver per loan to the interest acceleration provision when the Grantee, in writing, shows that such acceleration will cause borrower bankruptcy and further loss of jobs and submits a proposed renegotiated hiring schedule that meets the CSBG job creation and hiring requirements through no more than a 24 month extension.) The Department will allow other equally punitive hiring noncompliance interdictions in grantees' loan contracts in lieu of the interest acceleration penalty. Such other interdictions may include (but are not limited to) fines, partial loan recall and pre-scheduled interim balloon payments;

- 6) Loan Security Provision (The Grantee shall perfect the loan security. For example: hold title to vehicles; secure a mortgage on pledged real property; require Uniform Commercial Code (U.C.C.) (Ill. Rev. Stat. 1989, ch. 26, pars. 1-101 et seq.) filing for pledged equipment, fixtures and inventory.);

SUBPART A: GENERAL PROVISIONS

Section 2830.50Calculating The "National Average Of This Ratio" Under Section 401 Of The Act

Section 401 of the Act (Ill. Rev. Stat, 1989, ch. 48, par. 401) provides that, if certain factors occur, the "Statewide average weekly wage" will be frozen for a particular benefit period. One of these factors involves a determination of whether the average contribution rate for all employers in this State for the calendar two years prior to the benefit period, as a ratio of total contribution payments (including payments in lieu of contributions) to the total wages reported by employers in this State for that same period is 0.2% greater than the national average of this ratio. For purposes of calculating the "national average of this ratio":

- a) Payments in lieu of contributions shall be included in the total contribution payments;
- b) Contribution payments made by workers shall be included in the total contribution payments;
- c) Contribution payments and total wages reported in Puerto Rico, the Virgin Islands and the District of Columbia shall be included.

G) Each private employer applying for self-insurance shall indicate how it will service its self-insurance program. The employer shall provide adequate facilities for the investigation, administration and payment of claims or shall contract with a service company possessing such personnel and facilities to provide such services. In determining whether facilities are adequate for the investigation, administration and payment of claims, the following shall be considered:

(i) whether there is personnel experienced in the adjudication of workers' compensation claims;

(ii) whether there is a reporting system for workers' compensation claims;

(iii) whether the reporting system is automated and the frequency of reports generated by the system; and

(iv) the response system to claims filing.

2) Renewal Application

A) Each private self-insurer shall, upon notice from the Commission, file annually an application to continue the self-insurance privilege. The renewal application shall be on a form prescribed by the Commission and shall be accompanied by a current financial statement as described in subsection (a)(1)(C). NOTICE OF ADOPTED AMENDMENT(S)

3) The application fee shall be paid by check or money order made payable to the Self-Insurers Administration Fund.

c) Review of Application

1) Within 45 days of receipt of an initial application or an application to renew the self-insurance privilege, the Self-Insurers Advisory Board (the Board) shall review or see to the review of the application and submit its recommendations for disposition to the chairman of the Commission (the Chairman). (Section 4(j) of the Act)

2) The Board shall evaluate each application on the basis of the employer's ability to demonstrate that its financial strength is sufficient to enable the employer to meet its obligations under the Workers' Compensation Act and the Workers' Occupational Diseases Act. The evaluation shall include, but not be limited to, the following:

A) Earned Points on Financial Ratios

A total of 9 or more points calculated by adding points earned in each of the following 3 financial ratios shall create a rebuttable presumption that the employer shows sufficient financial strength to qualify as a self-insurer:

i) Current Assets to Current Liabilities

20%	=	6 points
17.5%	=	5 points
15%	=	4 points
12.5%	=	3 points
10%	=	2 points
7.5%	=	1 point
5%	=	0 points

(A negative ratio, one in which current assets are less than current liabilities, may be considered a reason to reject a new application).

ii) Capital & Retained Earnings (Net of Treasury Stock) to Sales (Less Discounts)

20%	=	6 points
17.5%	=	5 points
15%	=	4 points
12.5%	=	3 points
10%	=	2 points
7.5%	=	1 point
5%	=	0 points

iii) Capital & Retained Earnings to Long Term Debt

2	: 1 =	6 points

1.75	: 1	=	5 points
1.6	: 1	=	4 points
1.4	: 1	=	3 points
1.25	: 1	=	2 points
1.1	: 1	=	1 point
1	: 1	=	0 points

B) The Board may recommend for approval applicants who earn less than 9 points in the financial ratios of subsection (c)(2)(A)(i-iii) if the employer's application and financial statement demonstrate the ability of the employer to meet its obligations under the Workers' Compensation Act and Workers' Occupational Diseases Act.

3) Security Requirement

The Chairman shall require as a condition precedent to the approval of an initial or renewal application to self-insure that the applicant furnish security, indemnity and/or surety bond. The Chairman may also require that the applicant further secure payment of liabilities under the Workers' Compensation Act and Workers' Occupational Diseases Act by obtaining a policy of excess liability or catastrophe insurance on such form as may be required by the Commission.

A) Security Determination

i) The amount of the security shall be based upon, but not be limited to, such criteria as the employer's financial strength, the amount of aggregate excess insurance, and demonstrated loss experience.

ii) An employer's financial strength shall be determined by applying the financial ratio summarization below. The financial ratio summarization is based upon the total number of earned points as calculated by applying the financial ratios in subsection (c)(2)(A). A financial factor (percentage) is assigned to the financial ratio summarization. The applicable financial factor is applied in determining the amount of security in subsections (B) and (C) below.

Financial Ratio Summarization	Financial Factor
Earned Points	

16 - 18 points	=	3%
14 - 15 points	=	40%
12 - 13 points	=	60%
9 - 11 points	=	70%

B) Security/Aggregate Excess Liability Coverage

Employers who have excess liability insurance coverage shall be required to furnish security based upon the amount of aggregate retention applicable. The security requirement shall be calculated as follows:

i) Where the employer submits audited financial

INDUSTRIAL COMMISSION

NOTICE OF ADOPTED AMENDMENT(S)

statements, the security shall be in an amount equal to the loss fund size (the aggregate retention not covered by the excess workers compensation insurance) multiplied by the applicable financial factor (percentage) assigned to the financial ratio summarization in subsection (c)(3)(A)(2).

ii) If the employer submits financial statements which are not audited, the security shall be in an amount equal to the full loss fund size multiplied by 125 percent.

iii) If the employer self-administers its workers' compensation claims program, a factor of 120% is applied to the formulas used in subsections (i) and (ii) above, to cover the contingent claims cost in the event of insolvency.

C) Security/No Aggregate Excess Liability Coverage

i) If the employer has no aggregate excess workers' compensation insurance coverage, and submits audited financial statements, the security requirement shall be determined by using the highest amount of security obtained after applying the following formulas:

(a) Reserve formula:

total outstanding loss reserves x applicable trending factor x applicable financial factor = security.

(b) Paid loss formula:

Paid losses for up to each of the last 5 years are multiplied by the applicable trending factors. The total of paid losses is divided by the number of years used to obtain the average yearly paid loss. However, in the event that an employer's losses are affected by growth or size of the entity, the losses will be equalized. The following formula is then applied:

average yearly paid loss x applicable trending factor x applicable financial factor = security.

ii) If the employer has no aggregate excess workers' compensation insurance coverage and submits financial statements which are not audited, the security requirements shall be determined by using the highest amount of security obtained after applying the following formulas:

(a) Reserve formula:

total outstanding loss reserves x applicable trending

INDUSTRIAL COMMISSION

NOTICE OF ADOPTED AMENDMENT(S)

factor x 125% = security.

(b) Paid loss formula:

Paid losses for up to each of the last 5 years are multiplied by the applicable trending factors. The total of paid losses is divided by the number of years used to obtain the average yearly paid loss. The following formula is then applied:

average yearly paid loss x applicable trending factor x 125% = security

iii) If the employer self-administers its workers' compensation claims program, a factor of 120% is applied to the formulas used in subsections (i) and (ii) above, to cover the contingent claims cost in the event of insolvency.

iv) All trending factors used in this subsection are adopted by resolution of the Board and are available from the Board or the Commission upon request. Trending factors are determined by reviewing the rates of inflation for self-insurance, including claim payments and costs of claim administration.

D) The security requirement for self-insurers, who upon application for continuation of the privilege, earn less than 9 points after applying the financial ratios in subsection (c)(2)(A), shall be determined as follows:

Points Scored	Loss Fund Size	Minimum % of Increase of Current Security
6 - 8.9	0 - 250,000	130
	250,001-500,000	120
	500,001-1,000,000	110
	1,000,001 +	100
3 - 5.9	0 - 250,000	150
	250,001-500,000	130
	500,001-1,000,000	120
	1,000,001 +	110
0 - 2.9	0 - 250,000	200
	250,001-500,000	175
	500,001-1,000,000	150
	1,000,001 +	130

E) As part of the security to be submitted by a subsidiary, the subsidiary shall obtain a guarantee by the parent company

INDUSTRIAL COMMISSION

NOTICE OF ADOPTED AMENDMENT(S)

that the obligations of the subsidiary under the Workers' Compensation Act and Workers' Occupational Diseases Act shall be paid. The guarantor shall be submitted on a form prescribed by the Commission. Whenever a self-insured parent or subsidiary subsequently changes ownership, it must notify the Commission immediately.

F) No surety bond may be terminated unless the Chairman has received written notice of such prospective termination at least 60 days prior to the termination date.

G) Deposits under escrow agreements shall be cash, negotiable United States government bonds or negotiable general obligation bonds of the State of Illinois. Such cash or bonds shall be deposited in escrow with any State or national bank or trust company having trust authority in the State of Illinois. (Section 4(b) of the Act) All escrow agreements shall be on a form provided by the Commission. Securities used to fund an escrow account shall have at all times a market value at least equal to the security requirement determined by the Chairman.

H) A letter of credit approved by the Chairman may be accepted as security. All letters of credit must be on a form prescribed by the Commission.

d) Decision

Within 45 days after receipt of an initial application or application to renew (continue) the self-insurance privilege, the Board shall advise the Chairman of its recommendations regarding the disposition of that initial or renewal application. If the Chairman disagrees with any of the Board's recommendations, the Chairman shall, within 30 days after receipt of the Board's recommendations, notify the Board of the reasons in support of the decision. The Chairman shall also promptly notify the employer of the decision within 15 days after receipt of the recommendation of the Board. (Section 4(j) of the Act)

1) Approval

A) The Chairman shall notify the applicant in writing that it has been conditionally approved as a self-insurer. Approval will be conditioned upon the furnishing of appropriate and adequate security. The notice shall set forth the requirements to be met, including, but not limited to, the furnishing of security and the basis therefor, obtaining appropriate excess liability or catastrophe insurance, and submission of an appropriate claims administration and loss control program.

B) Within 60 days after receipt of the notice described in subsection (d)(1)(A), the employer shall comply with all of the requirements as stated in the notice. The Chairman shall then issue a certificate of approval as a self-insurer. The effective date of self-insurance shall be set forth in the certificate of approval.

C) Failure of the employer to comply with all requirements

INDUSTRIAL COMMISSION

NOTICE OF ADOPTED AMENDMENT(S)

within 60 days after receipt of the notice in subsection (d)(1)(A) shall cause the Chairman to issue a notice which sets forth a place and time of hearing within 30 days after the date of the notice, at which the employer must show cause why the self-insurance application should not be rejected and the self-insurance privilege denied and/or terminated. The Chairman shall notify the employer of the decision in writing after the hearing date. Nothing herein shall bar the employer from reapplying for approval as a self-insurer.

2) Denial

A) The Chairman shall notify the employer in writing that the employer's initial or renewal application and financial statement do not warrant approval of the self-insurance privilege. The notice shall set forth the reasons why the employer's application for approval as a self-insurer should be denied. The notice shall also set forth a place and a time of hearing, within 30 days after the date of the notice, at which the employer must show cause why the self-insurance privilege should not be denied and/or terminated.

B) If the Chairman determines that the request for self-insurance should be denied, after the hearing date the Chairman shall issue an order denying the request for approval as a self-insurer. The order shall set forth the reasons for the denial.

C) When the Chairman denies an application for renewal of the self-insurance privilege, nothing herein shall bar an employer from reapplying for approval as a self-insurer. Such re-application shall be considered an initial application and must qualify under subsection (c)(2).

e) Additional Information

1) The Chairman may at any time, on his own initiative or at the request of the Board, require a self-insurer to file additional information related to the self insurers' ability to adequately secure payment of its financial obligations under the Workers' Compensation Act and Workers' Occupational Diseases Act. Such information shall include, but not be limited to, information related to the employer's financial condition, the employer's ability to provide an adequate claims administration, loss control, or safety program, and to provide adequate excess insurance coverage.

2) Upon review of the additional information, if the Chairman finds, after consultation with the Board, that the security furnished by the self-insurer should be adjusted or that the self-insurance privilege should be terminated, the Chairman shall notify the employer of any change in the security requirement or of his intent to terminate the self-insurance privilege. The notice shall set forth a time and place of hearing, within 30 days after

NOTICE OF ADOPTED AMENDMENT(S)

the date of the notice, at which the employer must show cause why the security should not be adjusted or why the self-insurance privilege should not be terminated. The Chairman shall notify the employer of the decision in writing after the hearing date.

- 3) Failure of a self-insurer to comply with a request for additional information, without good cause, may cause the Chairman to initiate proceedings to terminate the self-insurance privilege.

f) Conduct of Hearings

- 1) All hearings under this Section shall be conducted by the Chairman or Commissioner designated by the Chairman.

- 2) At the hearing, the employer shall have the right to call witnesses, cross-examine witnesses and present evidence to show why the Chairman should not deny or terminate the self-insurance privilege or adjust the security.

- 3) The Commission, or any member thereof, shall have the power to administer oaths, to subpoena and examine witnesses and issue subpoenas duces tecum requiring the production of such books, papers, records or documents as may be evidence to determine the issues of denial or termination of the self-insurance privilege or adjustment of the security (Ill. Rev. Stat. 1989, ch. 48, par. 138.16).

- 4) The Illinois common law rules of evidence and Article VIII of the Code of Civil Procedure (Ill. Rev. Stat. 1989, Ch. 110 par. 8-101 et seq.) shall apply at the hearing.

g) Appeal

All orders made by the Chairman under Section 4(j) of the Act shall be subject to review in the same manner and within the same time as provided by subsection (f) of Section 19 of the Act for review of awards and decisions of the Commission. (Section 4(j) of the Act)

Reg. 18582, effective Nov. 5, 1990; amended at 15 Ill. Reg. 16987, effective November 12, 1991.

Section 700.200 Rates of Payment, Types and Skill Levels of Service Providers

- a) Personal Assistant services are to be provided by individuals (rather than by agencies) who are selected, hired, trained, supervised and dismissed by the client or other responsible person. Personal Assistants do not necessarily have formal training. DORS will pay no more than \$3.85 per hour for such services for the period July 1, 1990 to April 1, 1991. After April July 1, 1991, the rate shall be \$4.25 50 per hour.
- b) DORS shall pay new Personal Assistants, who began services on or before the 15th of a month, twice in the first month of service only.

c) Homemaker services may be provided only by employees of Homemaker agencies with whom DORS has a contract rate agreement and are paid at no more than the maximum rate established for each agency as described for non-institutional rates in 89 Ill. Adm. Code 356. These individuals are trained and professionally supervised.

d) Maintenance Home Health Services

1) Maintenance Home Health services may be provided only by personnel who are specially licensed or certified by the Illinois Departments of Professional Regulation or Public Health, as applicable, including nurses, therapists and home health aides. This service will be purchased through Medicare/Medicaid approved Home Health agencies, if available, at no more than the approved Medicare/Medicaid rates set for each agency by the Department of Public Aid.

2) Maintenance Home Health services may be provided by individuals who are not Medicaid approved providers (see 42 CFR 440.70, October, 1982) unless the client is eligible for available Medicaid paid Home Health service. However, DORS will first attempt to secure Home Health Service providers which are Medicaid approved. An individual provider must be able to provide the local office staff with a certification from a training program recognized by the certifying State of Illinois Department or with a license, as appropriate to the type of Home Health Service provider needed. The individual provider is then paid at no more than the prevailing local rate as determined by the local Home Health agency or

hospital. If the individual provider cannot demonstrate that a recognized training program has been completed to qualify the individual provider to be a Home Health provider, the individual provider may not provide Maintenance Home Health services. Individual Home Health providers will only be used when agency Home Health services are not available and/or when an individual provider is less costly than an agency provider.

- e) Home delivered meals are generally provided by volunteers working through agencies such as the Red Cross or local hospitals. Prevailing local rates are to be paid insofar as the home delivered meals service agency provides the service needed by the client at a cost which is less than that which would otherwise be paid to a Personal Assistant or another home delivered meals service agency to perform the same service.
- f) Electronic Home Response Services are provided through hospitals or through community service agencies and utilize some form of electrical or electronic alerting device which is monitored by the agency providing this service. Emergency health care professionals then respond if signaled by the client. Prevailing local rates are to be paid insofar as the electronic home response service agency provides the service needed by the client at a cost which is less than that which would otherwise be paid for Personal Assistant Service or for other electronic home response services. When it is cost effective to do so, this service may instead be provided through the use of burglar or fire alarms which have a communication link with local fire or police stations or into private concerns operating this type of system; also paid at prevailing rates as above.

g) Respite Services

- 1) Respite Services shall be provided by Personal Assistants, Homemakers, or Maintenance Home Health services, based on the client's need (as established by the Determination of Need in 89 Ill. Adm. Code 685 and in accordance with Section 700.300(f)).
- 2) Respite Services are paid at the same rate as regular services. There is no cost share for

DEPARTMENT OF REHABILITATION SERVICES
NOTICE OF ADOPTED AMENDMENTS

Respite Services regardless of family or individual income.

- 3) Respite Services may be used in weekly increments but for a total of no more than 240 hours per fiscal year, provided it does not exceed the service cost maximum (89 Ill. Adm. Code 685) for the client.

(Source: Amended at 15 Ill. Reg. 16987, effective November 12, 1991.)

Section 700.400 Service Provision as Affected by Available Resources

- a) The Home Services Program (HSP) is not intended to supplant any service already provided to a client by family, friends, and others. Rather, HSP is designed to supplement these services only to the extent necessary to prevent the client's institutionalization.
- b) Legally responsible relatives of the client, as defined in 89 Ill. Adm. Code 687.100(e), are responsible for providing the client's service needs and are not to be paid for services they provide to the client. -However, HSP will provide services for clients having legally responsible relatives, except as otherwise limited in this section, only under the following circumstances:
- i) ---HSP service provision allows all legally responsible family members to begin or continue employment to support the family, when the net earnings of the responsible family are greater than the HSP cost of serving the client during the hours the responsible family is working.
- 2) ---HSP service provision will relieve legally responsible family members from providing continuous care, beyond 16 hours per day, if such care is required due to the client's disability. HSP will also provide up to an additional 4 hours/week to allow the family time off, if there is only one legally responsible family member to care for the client; HSP will provide for service needs beyond 12 hours/day, plus up to the additional 4 hours/week.

DEPARTMENT OF REHABILITATION SERVICES

NOTICE OF ADOPTED AMENDMENTS

-----3)-----The service needs require specialized or skilled care which cannot be provided by the legally responsible family.

-----4)-----The service needs require the efforts of both legally responsible family and service provider simultaneously.

-----5)-----For certain intimate care tasks identified by the Determination of Need Scale (see 89 Ill. Adm. Code 685-500); the use of a family member as a service provider may be inappropriate. These situations must be noted in the case file.

-----c)-----The circumstances above also apply to family members who are not legally responsible for the client, but who already provide service to the client at no cost to HSP and are willing to continue doing so.

Section 700.500 Service Provision by Family Members (Repealed)
Family members of a client are not to be paid for services they provide to the client, except under the following conditions:

a) Family members who are not legally responsible for the client may be paid to provide service to the client when:

1) no other service provider can be located and notes are entered in the case file concerning the efforts made to locate another service provider; or

2) reimbursement of this service provision is necessary to maintain a minimum income standard for the family members (see 89 Ill. Adm. Code 687-100(a)), such that the family members would otherwise have to seek or maintain other employment.

b) Legally responsible family may be paid to provide services for a client if the earnings of responsible family are less than the HSP cost of serving the client during the responsible family's working hours, and if the responsible family is capable of serving the client. HSP may then pay the responsible family to

provide services to the client instead, at the rate of the net earnings (see 89 Ill. Adm. Code 687-100(h)(1) and (h)(3)) of the responsible family's former employment outside the home. This rate of payment should never exceed the cost of HSP service provision by non-family service providers.
